

CLOTHING SWAP: There was a great selection of lightly used clothing available to choose from at the Clothing Swap held at the Acton Town Hall Centre last Thursday evening. Organizers had hoped for a better turn out at this inaugural event. Clothing Swaps are very popular on University and College campuses, and the students who organized this event will be reviewing the results and their marketing and promotions plans closely before planning the next one.

CARING STREET: Residents of Dawkins Crescent hosted their 12th Annual Golf Tournament on Saturday, July 22 at the Guelph Lakes Golf Course. "Each year the street tries to support a worthy cause and give back to the community," explained one of the event's organizers, Stacey Kapparis. "This year we raised 21 amazing backpacks for the Links2Care backpack program." Kapparis hopes to challenge other streets in the community to give back, as well.

The Norval Community Association has developed a wonderful "Garden of the Senses" dedicated to Lucy Maud Montgomery, the author of the Anne of Green Gables novels. She lived in Norval for nine years. This would be a

rewarding way of spending an hour unwinding as you take in the plants with wonderful perfumes, the edible and herb gardens, and a children's garden. The gardens are located on Guelph Street in Norval. It is even wheelchair accessible. The entrance is on Mary Street.

On Wednesday, July 26, 10 people enjoyed reading and discussing "The storied life of A.J. Fikry". If you are interested in joining them next month, they will meet again on

Wednesday, August 23 at 7 p.m. The next book they will be reading is "The Nest" by Cynthia D'Aprix Sweeney; "A story about the juicy and dysfunctional Plumb Family". Ask for your copy in the office.
