Our family has in the past used The Krause family on previous occasions, my wife and myself had the pleasure of working with Mike Krause on the sale of our farm property a few months ago. Mike helped us through this process making it an enjoyment rather than a headache being it was our first real-estate transaction in our life. Moving forward to this past month, Mike took the time to drive north of the Muskokas to look for our first family cottage purchase. Spending the entire day with us until we visited numerous properties and spent hours upon hours driving from lake to lake. Mike not only found all the answers we were asking but also helped us find our dream cottage. We are now proud first time cottage owners looking forward to making years of family memories in our new northern cottage. Thanks for everything Mike, you made our experience a wonderful one!!
