INTENSIFICATION OPPORTUNITIES STUDY

CALL FOR VOLUNTEERS

DOWNTOWN GEORGETOWN PLANNING STUDY

CALL FOR VOLUNTEERS

The Town of Halton Hills is seeking volunteers who are interested in serving on the Project Steering Committee for the 2017 Intensification Opportunities Study Update. We would like a total of four resident representatives, two from Georgetown and two from Acton.

The previous Intensification Study was completed in 2010, and identified properties within Georgetown and Acton that had the potential to accommodate residential intensification to the year 2031. It is now time to update the 2010 study to identify potential residential intensification properties within the built up urban areas of Georgetown and Acton to the end of the 2041, as required by provincial legislation.

Intensification means the development of a property, site or area at a higher density than currently exists. The Town is required by Provincial and Regional policy to accommodate a certain amount of growth through intensification. The purpose of this study is to identify where and how much intensification can be accommodated in Halton Hills. The study will also result in the preparation of urban design guidelines, which will help ensure that intensification development is compatible with the surrounding neighbourhood.

Role

- The role of the Steering Committee will be to:
- meet on a regular basis to monitor the progress of the Study;
 - provide input into the Community Consultation Strategy which will be prepared for the Study;
 - provide comments during the Study process;
 - assist with issue identification; and,
 - serve as ambassadors and liaise with community organizations or the public at large to ensure broad community awareness of the Study and to obtain broader community input.

Eligibility Criteria

- To be eligible to serve on the Steering Committee, applicants must:
- own property or reside within the built boundary of Acton or Georgetown as shown on pages 24-25 of Report P&I-2017-0035, which can be accessed at <http://bit.ly/2uZwrW0>;
 - be over the age of 18 years;
 - be available to meet between three and five times over a two year period; and,
 - not be employed by the Town of Halton Hills.

How to Apply

- By the deadline of 4:30pm on Friday, September 8, 2017, applicants must:
- complete an application form which can be obtained from the Town's website at: <http://www.haltonhills.ca/committees/pdf/volunteers-application.pdf>; and,
 - submit the application form to Renee Brown (Council and Committee Services Coordinator) by email at reneeb@haltonhills.ca, or by mail at 1 Halton Hills Drive, Halton Hills ON L7G 5G2.

For more information, please contact Tara Buonpensiero at tarab@haltonhills.ca or (905) 873-2601 ext. 2214.

The Town of Halton Hills is seeking volunteers who are interested in serving on the Steering Committee for the Downtown Georgetown Planning Study. We would like a total of two representatives, preferably from Downtown Georgetown or the surrounding area.

The Downtown Georgetown Planning Study will be a place-making exercise to develop a clear vision and new detailed planning framework for Downtown Georgetown, from land use and built form perspectives. This plan will guide growth and development in Downtown Georgetown over the next 20 years, to support its evolution into a culturally and economically vibrant destination for residents, workers, and visitors.

The Study will ensure that the multi-faceted and mixed-use function and cultural identity of Downtown Georgetown are enhanced, with particular attention to the district's historic character public spaces, small businesses, and natural environment. The Study will be conducted over the next two years. More information on the Study is available on the Town's website at www.haltonhills.ca/destinationdowntown.

Role

- The role of the Steering Committee will be to:
- meet on a regular basis to monitor the progress of the study;
 - provide comments during the Study process;
 - assist with identifying issues and proposing solutions; and,
 - serve as ambassadors and liaise with community organizations or the public at large to ensure broad community awareness of the Study and to obtain broader community input.

Eligibility Criteria

- To be eligible to serve on the Steering Committee, applicants must:
- demonstrate a strong interest in planning the future of Downtown Georgetown;
 - be a resident of Halton Hills (preferably residing in or near Downtown Georgetown), or be a business owner or land owner in Downtown Georgetown;
 - be over the age of 18 years;
 - be available to meet between six and eight times over a two year period; and,
 - not be employed by the Town of Halton Hills.

How to Apply

- By the deadline of 4:30pm on Friday, September 8, 2017, applicants must:
- complete an application form which can be obtained from the Town's website at: <http://www.haltonhills.ca/committees/pdf/volunteers-application.pdf>; and,
 - submit the application form to Renee Brown (Council and Committee Services Coordinator) by email at reneeb@haltonhills.ca, or by mail at 1 Halton Hills Drive, Halton Hills ON L7G 5G2.
