

COOL FLICK: Last Saturday night's Bike In Movie Night hosted by the Acton BIA at the Town Hall drew a good crowd. Attendees enjoyed watching the movie under the stars. - Les Schmidt photo

"Were you still flying your Canadian flags when the Snowbirds performed their flyover?"

John Brasz "We took the flags down. We had about six of them up. The big one looked pretty faded. It didn't look too good anymore, but we had it out for the flyover."

Jessica Chaulk "Yes, we have two flags flying. We watched the Snowbirds coming over from the park, and the kids loved it."

Patricia Campbell "Yes, my flag is still flying. I registered it. It's at my apartment. I just got inside the house when the Snowbirds went over. I didn't see them, but I heard them."

Carolyn Easton-Ryder "We still have our flags flying, all three of them. The flyover was wonderful. We hung out at the park, the kids had a great time. It was a nice way to wrap up the summer."
