

Your Health HALTON HEALTHCARE

GEORGETOWN HOSPITAL

July 2017

We're recruiting Patient and Family Advisors!

The role of a Patient and Family Advisor is to work in partnership with the hospital to create a truly patient-and-family-centered care environment and experience. We are looking for more Patient and Family Advisors to partner with us to help shape the patient experience at Halton Healthcare.

'Patient and Family Advisor 101' Open Houses

You're invited to our 'Patient and Family Advisor 101' Open Houses this summer to learn more about this important role. You'll have a chance to meet our Hospital Leaders and our current Patient Family Advisors, get more information, and ask questions. Please join us at one of the following open houses:

- **Wednesday, July 12, 4:00 pm to 6:00 pm** - Boardroom, Milton District Hospital
- **Thursday, July 13, 4:00 pm to 6:00 pm** - John Oliver Auditorium, Oakville Hospital
- **Wednesday, August 9, 4:00 pm to 6:00 pm** - Activity Room, Georgetown Hospital

Apply to become a Patient and Family Advisor at one of our three hospitals

Have you heard about Project X?

Campaign raises \$350,000 to-date

Project X is the Georgetown Hospital Foundation's new campaign to raise \$1.5 million for the total refurbishment of the x-ray suite at the Georgetown Hospital. The campaign will fund the purchase of two digital x-ray machines, two portable digital x-ray machines and a mini C-arm (a table-side x-ray device used to capture images during surgical procedures). Thanks to the \$150,000 raised at the Georgetown Hospital Foundation's recent Countdown to Canada 150 Gala as well as an extremely generous \$200,000 bequest left by the

late Mrs. Irene Williams, the Foundation is excited to announce that the hospital is able to make its first Project X purchase – a digital x-ray machine!

Are you interested in contributing to or learning more about Project X? Call the Foundation at 905-873-0111 ext. 8241.

Transformation and growth continues!

Our 2016/17 Annual Report

It has been another remarkable year of transformation and growth at Halton Healthcare. We experienced unprecedented patient volumes through our Emergency Departments, grew our cancer program, introduced new services, and took up new and minimally invasive healthcare technologies. Read more about the past year's accomplishments, our performance, community collaborations and our plans for the future in the current annual report.
