COMPLIMENTARY MARKET EVALUATION

Mike Krause is definitely not your clichéd Realtor. He brings authenticity and professionalism; as well as genuine caring, all in one package. At a time when tensions were high, Mike made us feel heard and understood. He always made it feel like he was working with us and not for us. It was wonderful hearing, "our place" and "we" through a very stressful process.

Mike goes above and beyond at all times. He went out of his way to check things for us, as if we were his own family. Mike's integrity is unshakable and he always made sure that he took care of our needs first. That is why we used him a second time and would do so in a heart beat in the future.

If you want someone who will take care of you with integrity; and get the job done professionally Mike Krause is your man.
