

Together we can transform lives.

The Darling Home for Kids, situated in Milton, Ontario, is a place of joy, filled with the smiles and laughter of children engaging in unique and enriching experiences and exploring new and exciting activities.

Medically fragile children receive wonderful care in a beautiful, warm and home-like environment, which provides comfort and a break to families facing the daily challenges of caring for a child with complex medical needs. Families are supported in knowing that there is a continuum of care from respite through to palliation and, when needed, end of life care.
