

NHKR Arabella an independent, loving cat

BARB JOHNSON

Rural homeowners discovered Arabella and her five kittens living on their property and surrendered the feline family into NHKR foster care. Arabella is estimated to be three years old and although she has had more than one litter of kittens, she has maintained her trim figure. Her kittens have been adopted and Arabella is looking for a new home where she will be cherished.

Arabella, which is Dutch for beautiful, is a large, agreeable cat. She is exceptionally quiet and passive, affectionate without being needy and easily entertains herself. Although she does not engage other cats in play, she is very tolerant and could share a home with other passive cats or she would be content as an only cat. Arabella was also friendly with a calm dog.

She is very clean with her litter box and she allows her nails to be trimmed without issues. Arabella especially enjoys being brushed and receiving long, soothing stokes down her back but not including her tail, which is a sensitive area for her.

Arabella shows no interest in returning outdoors and would enjoy living in a quiet

household.

Arabella and Curbs will be available for adoption this Saturday at Pet Valu, 375 Mountainview Rd south, from 2-4 p.m. The \$160 cash adoption fee for all felines includes: vaccinations, parasite treatments, spay/neutering, microchip and a bag of food. For more information visit www.NHKR.ca or call Barb 905-873-8547.

Axl ready to embrace his active family

Cars can't run without "axles", our Axl is finding it sad to "run" without a home which is his heart's desire.

Axl is a handsome 4-year-old male Shepherd cross, black and tan with white trim. He is a large boy weighing in at about 70 lb. and would be suitable for adult families or ones with children over 16 years of age. Axl would especially be suited to an active family.

Axl has mastered his basic commands, is housebroken, and walks well with a head collar. He enjoys his walks immensely and appreciates the human companionship. Axl is fine with other dogs, and is playful and friendly by nature. This handsome boy is very smart and catches on quickly with training when it is offered.

Because of Axl's high energy, he is not suited to

apartment life, and will absolutely need a fenced yard. Axl will benefit from set boundaries: kind but firm leadership with rules enforced positively so he can understand clearly what is expected of him.

Axl will rev the motor of an active family who enjoy a dog with a full zest for life. If this peaks your interest, please call the shelter on 519-833-2287 or email info@uppercredit.com to come and meet him.
