

ACTON HIGH

University Fair

Potential Acton High School grads traveled to Toronto on Friday, September 22 to explore their post-secondary education possibilities at the University Fair, and to talk with representatives from various schools to learn more about future pathways.

Ductility Tableau

Mrs. Siblini's Grade 9 French immersion science class used a tableau to demonstrate the property of ductility. Without any words, students used body language to communicate this concept. It definitely energized the students while strengthening their

Girls Basketball

Last Wednesday, the Varsity Girls played Sainte Trinite and the girls came out victorious in a tightly contested game of 35-32 – the first victory in the girls' basketball program since 2013. Next, the girls traveled to Burlington Central and toppled the Trojans 40-24. They look to continue this winning streak on Wednesday as they host Oakville Trafalgar at 3:30 p.m.

team-building skills. **Dramatic Developments**
The drama department

is planning some cutting edge, interactive theatre this year at Acton High. As always, a "spooktacular" haunted house is in the works to support the local food bank.

Student Council

The student council for 2017-2018 school year is planning a number of events for the year including a semi-formal dance and Halloween costume contest. Dhara Patel, this year's Prime Minister, will be announcing cabinet positions this week.

Fall Fair

Acton students assisted with the leading of Education Day for over 700 elementary students. Many pieces of student work were judged and awarded ribbons in the homecraft division. Congratulations to our students Megan Somerville—First Runner-up—and Emily Macklem as our Miss Acton representatives.

SACRED HEART

The first month back at Sacred Heart School has been a full one. With hearts for living and hearts for learning, we have settled into our new classes, welcoming back our friends from last year and getting to know new friends who have joined us this year. We also welcomed back Father Mark who celebrated our first school Mass of the year.

Our cross-country team started their practices early on, and have already competed at our county board meet. The team is

looking forward to our championship meet at the end of the month. Both our boys' and girls' soccer teams have also been working hard, developing and practicing their skills in preparation for our county tournaments taking place in early October.

We excitedly waved and smiled for our whole school photo taken from high above with a drone. We hosted a well-attended Open House where students and their families visited the classrooms, had the opportunity to

visit our Book Fair, and enjoyed some sweet treats from the Sweet Temptations food truck. Students had a fun time trying to identify all our staff in the "Guess the Bandito" photo contest too.

As we celebrate World Teachers' Day on October 4, we thank our staff for the caring and generous ways through which they help our students grow in their faith and expand their knowledge. As we approach Thanksgiving, we are reminded of how blessed we are here in Canada. God is good and we should be thankful in prayer and grateful in our deeds and actions every day.

LIMEHOUSE

We are happy to share that we've had a great start to the year at Limehouse. Our new Junior Kindergarten students have adjusted well to attending full days of school five days a week, and our returning students have enjoyed connecting with their friends and teachers once again. The students at Limehouse have started their year already experiencing enhanced learning opportunities. During the second week of school, our grade ones through grade four students attended the Acton Fall Fair where they learned a tremendous amount about our agricultural heritage. We'd like to thank the Acton Agricultural Society covering the cost of admission for our students, and Tyler Transportation for covering the cost of transportation. We've been so fortunate to already be on the receiving end of our community's generosity. We'd also like to thank all of the Limehouse families that at-

tended our Open House. It was wonderful to meet our new families, and connect with our returning families. We'd like to thank our volunteers that worked on creating display boards to in-form our community of our yearly events. We'd also like to thank Mr. Adam Cuthbert for donating the door prize of family passes to Cineplex Theatres and the Halton Hills Twice the Deal Pizza for donating a pizza dinner. This year we plan to offer our yearly Santa Breakfast and offer a scrap-metal and e-waste collection. We hope that our Halton Hills community can help us

again this year, by saving scrap-metal and e-waste for our event. Once the dates have been selected, we will share it with our Halton Hills community.

On Tuesday, September 26 we will be having our Terry Fox assembly at 11 a.m. This assembly will be lead by our Grade Five Terry Fox Committee. On Thursday, September 28 our Terry Fox walk/run will be at 1:30 p.m. Families are invited to join us, and our students are asked to bring a Toonie for Terry. On Wednesday September 27 our grades 3 through 5 students will be participating in the Optimist Cross Country meet at the Gellert Community Centre in Georgetown South. Students will be walking

the course at 4:15 p.m. as a warm up. The races will begin by 4:45 p.m. The order of races will be as follows: Grade three girls, grade three boys, grade four girls, grade four boys, grade five girls, and grade five boys.

We'd like to take this opportunity to send out another reminder that we welcome volunteers. If you would like to help the school in any capacity, please contact the school

and we will explain how you can become a volunteer. Please note, anyone working or helping our students is required to have a criminal record check with a vulnerable sector screening completed through the Halton Regional Police Department. Please contact the school should you need any guidance with this process.

We look forward to continuing to share our upcoming events with you

through *The New Tanner* newspaper, through our website at lim.hdsb.ca, and through our Twitter account @LimehousePS. It takes a village to raise a child and so we greatly appreciate continuing to work with our Limehouse and Halton Hills Community in efforts to offer the very best for our students. We thank you for your continued interest and the on-going support of our school.
