GEORGETOWN HOSPITAL

September 2017

Breast Reconstruction Awareness (BRA) Day

FREE Event

Wednesday, October 4, 2017

5:00 PM - 9:00 PM

Oakville Trafalgar Memorial Hospital
John Oliver Auditorium,
3001 Hospital Gate, Oakville

Halton Healthcare is hosting BRA Day at OTMH for breast cancer patients and their families. This annual regional event has been designed to empower, educate and raise awareness for women who wish to consider breast reconstruction, cancer treatment options and high risk genetic counseling. Many of our Halton Healthcare physicians and specialists will be presenting along with regional hospital physicians. Join us to

- Learn about the different breast reconstruction options available
- Connect with women who have been through a breast reconstruction
- See real results in the Show and Tell Lounge (women only)
- Get answers to your questions from leading breast reconstruction experts in a panel discussion

Register (FREE) at bra-day.com today!

Hosted by Halton Healthcare in partnership with the Mississauga Halton Central West Cancer Program, the Canadian Breast Cancer Foundation as well as Trillium Health Partners and William Osler Health System

GHVA's \$65,000 Cheque Presentation

Thank you for your generosity!

(L to R) - Allan Welters, GHVA President; Cindy McDonnell, Chief Operating Officer, Georgetown Hospital; Marie Carney, GHVA Past President; Denise Hardenne, President and CEO, Halton Healthcare

The Georgetown Hospital Volunteer Association (GHVA) recognized many of their volunteers for their long service to the hospital at their 2017 Annual General Meeting. They also presented a cheque to the Hospital in the amount of \$65,000, their largest donation to date, from their fundraising efforts in 2016/17.
