

Town holding public meeting on proposed Halton Hills subdivision

GRAEME FRISQUE
gfrisque@metroland.com

The Town of Halton Hills will hold a public meeting in a couple of weeks to examine and discuss a proposed subdivision between Steeles Avenue and Highway 401.

The meeting is to be held on Monday, Oct. 16 at 7:15 p.m. in council chambers at town hall. It will give residents a chance to voice any concerns or objections before council considers the application.

The application for the new residential development encompasses the area running north-south between Highway 401 and Steeles Avenue, as well as east-west between James Snow Parkway and somewhere around where Fifth Line meets Steeles.

"The proposed plan of

subdivision applications apply to the lands legally described as part of Lot 15, Concession 5, Town of Halton Hills, Regional Municipality of Halton. The subject lands are municipally known as 10862 Steeles Ave. E. (Esquesing)," wrote the town in a release.

"The purpose and effect of the application is to allow for the creation of three commercial development blocks, a public road and a stormwater management block," added the release.

In addition to the meeting open to all residents, those interested can request updates about the development application through a written request to: The Town of Halton Hills - planning and sustainability department at 1 Halton Hills Dr., Halton

Hills, Ont., L7G 5G2.

More information is available through the planning and sustainability department or by calling Tony Boutassis, the development review planner assigned to the file, at 905-873-2601, ext. 2338.

"If a person or public body does not make oral submissions at a public meeting or make written submissions to the Town of Halton Hills before the application is passed, the person or public body is not entitled to appeal the decision of the Town of Halton Hills to the Ontario Municipal Board," added the town release.

A copy of the staff report related to the application will be made available ahead of the meeting on the town's website (haltonhills.ca/calendars) on Friday, Oct. 13.
