Mrs. Broostad and her husband Lloyd

The Acton Rotary Club honoured Shirley Broostad as the 2017 Acton Citizen of the Year Tuesday night at the Acton Town Hall. Broostad was honoured for her determination in volunteering in a number of community service groups for over 20 years. In 1961, Broostad and her husband, Lloyd, moved to Acton from Edmonton. Broostad was a nursing instructor for a number of years at both the University of Guelph and Conestoga College. She retired from her work in 1990, and decided she wanted to spend her newfound time volunteering in the community.
