## CtK's Britton, GDHS's Cherwaiko victorious at GHAC meet

Several athletes from Georgetown high schools are headed for the provincial cross-country running championships following their performances at the Golden Horseshoe Athletic Conference (GHAC) meet on Wednesday at the Hilton Falls Conservation Area in Milton.

Christ the King's Nicole Britton started things off by winning the four-kilometre midget girls' race. She will be joined at next week's Ontario Federation of Secondary Schools Athletic Association (OFSAA) championships in Petawawa by Georgetown District High School's Abigail Short, who finished fourth in that race.

The top five individual finishers and fastest two teams in each event qualified for OFSAA.

Georgetown District High School (GDHS) athletes finished one-two in the three-kilometre Para event, with Kealyn Cherwaiko crossing the finish line first, followed by teammate Ashley Fournier.

In the team points standings, CtK's junior girls' team won its category, led by Autumn Klimsiak (9th), Keighlin Devera (10th), Heather Scott (16th), Sophie Walker (20th) and Emma Tutt (37th).

GDHS's senior boys had four runners finish in the top 20 to take the team title, headed up by Jackson Gates (13th), Ryan Leslie (15th), Kyle MacDonald (16th), Michael Hamilton (18th), Spencer McPherson (22nd) and Liam Berger (57th). CtK placed third.

FOOTBALL: A 23-8 win over Oak-

ville's Iroquois Ridge last Friday improved the GDHS seniors' record to 4-1, with an opportunity to clinch second place and host next week's semifinal playoff game in the HSSAA's Tier I loop, if head coach John Leckie's squad can beat 3-2 Frank Hayden in Burlington this Thursday.

Quarterback Mitch Spence threw touchdown passes to DJ Strachan, Josh Coelho and Bruce Martin in Friday's victory at Kiwanis Field.

With a 1-4 record, Christ the King's seniors are battling for a playoff spot in the Halton Catholic Athletic Association and will likely need to win both home games this week - against Loyola on Halloween, then on Friday at 3 p.m., when Burlington's Assumption visits.

## Intermediate Raiders reunite for 35th anniversary

Georgetown Raiders' goaltender Rick Tompkinson withstood an early barrage by the visiting Niagara Scorecards during their exhibition game late Saturday (Oct. 28) afternoon as part of the Wenjiang Festival cultural celebrations.

After trading goals early on, with Gary Landry scoring for the Raiders, Niagara netted the winning goal midway through the final period.

It's the 35th anniversary of the Intermediate A

Raiders winning the Hardy Cup Canadian championship on home ice and the Niagara club was a rival of Georgetown at the time.

The contest was one of 10 games played at Georgetown's Mold-Masters SportsPlex on Saturday,

which also included teams from the Halton Hills Minor Hockey Association, North Halton Girls' Hockey Association and the Ontario Junior Hockey League's Georgetown Raiders.
