

PEOPLE IN BUSINESS

TODD C. HEIN - PARTNER

LOCKYER + HEIN LLP
BARRISTERS + SOLICITORS

Lockyer & Hein LLP Barristers & Solicitors

I have lived in Georgetown for more than 15 years. I have practiced law for more than 20 years, and I am a partner of Lockyer + Hein LLP. Lockyer + Hein LLP came into effect July 1st, 2015. Lockyer + Hein LLP is effectively the coming together of two long-standing Brampton law firms, particularly McCabe, Filkin, Garrie & Hein LLP (of which I was a partner for approximately 9 years), and Lockyer Law Professional Corporation. Lockyer + Hein LLP is a full service firm, covering virtually all main legal practice areas, including, but not limited to family/divorce, employment, civil litigation, personal injury, corporate, estates, real estate and criminal. My practice areas include family/divorce, employment, and civil litigation.

Although our main office is in Brampton, we also have offices in Caledon East and Georgetown. The Georgetown office is located at 8 Guelph Street, in the Lounsbury Life & Group Insurance Benefits building. At Lockyer + Hein LLP, our lawyers and clerks are very experienced in each area of law in which they work, so clients receive the best representation possible. We pride ourselves on taking a professional, personable and client-focused approach to providing legal services. We represent individuals as well as small to large businesses in all aspects of their legal needs.

I have been a proud member of Business to Community ("B2C") Halton Hills. B2C is a terrific networking group focused on helping the Halton Hills community, for many years. I continue with that membership through Lockyer + Hein LLP. Lockyer + Hein LLP is also a proud sponsor of Georgetown rep soccer.

If you have any legal needs, you can contact us for a free consultation.

SUSAN BAKER

North Halton Better Hearing

Hearing Instrument Specialist & Owner of "North Halton Better Hearing Centre" has been opened since March 1, 2016.

This hearing clinic helps people find solutions to their hearing problems, whether hearing loss, tinnitus (ringing or buzzing in the ear) and solutions for preserving hearing - custom ear plugs for noisy work or social environments. Hearing testing, evaluations and aid sales are all part of their business.

For those of us who are interested in maintaining our health into our senior years, hearing health care is significant. Studies have shown that cognitive health is maintained with the use of hearing aids. Untreated hearing loss is associated with lower scores on tests of cognitive function. 50% of those diagnosed with Alzheimer's have undiagnosed hearing loss, which causes them to answer questions inappropriately. Improved communication made possible by hearing aid use results in improved mood, improved social interactions and improved cognitively stimulating abilities. All good reasons to call and come in for a hearing test!

New patients welcome, so come on in!

TREVOR STROEDER

Georgetown Chevrolet Buick GMC

Trevor Stroeder has been Managing Partner of Georgetown Chevrolet Buick GMC since April 1, 2015. The dealership has been in business since the 1970s and has always been a big part of the Halton Hills community. In just two and a half years, Trevor and his team have doubled sales and built a culture at the dealership of family, community, and excellent service. The dealership is in the final weeks of a massive renovation to create an even better experience for customers and staff. As a family operated business, it is very important to Trevor that all staff and customers are treated as part of the family. Georgetown Chevrolet Buick GMC is your Halton Hills Truck Centre, with a large inventory of trucks, cars and SUVs to fit every job and style. Their GM trained certified service technicians and top notch Detail Department provide a one stop shop for all your maintenance and service needs as well as parts and body shop repairs. Trevor has always had a passion for cars and people, which shows in the way he operates the dealership. He and his family have fallen in love with Georgetown's community focus and welcoming attitude. Trevor is excited to be giving back to such a wonderful community. Please stop in and say "hello" soon!

Acton Auto Tech Inc.

Floyd Foster and his staff at Acton Auto Tech Inc. enjoy the satisfaction of going above and beyond for their customers. Hundreds of area residents have come to depend on them, and they rely on the technical expertise of their friendly staff to keep family vehicles in peak running condition.

In business for 27 years, they provide a full service of automotive repair services, emission testing and are able to work with all different types of makes and models of cars.

If you're looking for a used vehicle, they have a big selection to choose from and will ensure you find the perfect car for your needs. Their sincerity with customers, guarantees they get the most accurate analysis for any car repair issue that they might have. Helping people with automobile problems is their #1 concern and they want to ensure that they get you back on the road safely!

They enjoy the small town atmosphere where all of their customers are friends and they are treated like family. Customers keep coming back because they feel confident in knowing that they are valued and respected and whatever car issue they have, will be fixed!! Come in and see for yourself, you won't be disappointed.

Inkwell Montessori School and Georgetown Art Express

Nestled in the heart of downtown Georgetown, Inkwell Montessori School and Georgetown Art Express happily co-exist within the unique and kid-friendly environment of 77 Market Street. The school was founded in 2004, and in 2009 opened its doors at 77 Market Street after substantial upgrades and renovations were undertaken to adapt to its current purpose. Former Director of Visual Arts Mississauga Carole Warfield joined us in 2010 to expand and enhance the Georgetown Art Express program.

Built in 1877 by William Watson, the structure was originally designed and used as a Methodist church. In its lifetime it has enjoyed many and varied incarnations: an Oddfellows hall, a silent movie theatre, several restaurants, and now a Montessori school and art instruction studio. For more information about our Montessori school, please visit the Inkwell Montessori School website.

CASA & Toddler Programs - Dr. Montessori believed that each child has within himself or herself a unique potential that is revealed as the child grows and develops his or her interests. Inkwell offers Montessori programs for children aged 18 months to 6 years.

Inkwell's Art Express Camps-Summer Camps - Ages 4-5, 6-8 & 9-14 years old work in a variety of mediums such as pastels, watercolours, collage, papier mache, acrylics, copper foiling and much much more. Check out GeorgetownArtExpress.com for more info or to register. Come experience art among beautiful surroundings in downtown Georgetown. Our exciting and innovative projects will inspire even the youngest student.
