

Dr. Robert Hirst and Dr. Kevin Street

GEORGETOWN DENTAL CLINIC

Georgetown Dental Clinic has been providing quality dental care since 1986. Drs. Robert Hirst and Brian Markham founded the clinic and where partner together until Brian retired in 2007.

Dr. Hirst moved to Georgetown shortly after the clinic opened and continues to live here with his wife and three boys. He is very active in the community and will continue for years to come.

Dr. Hirst has been committed to our community for many years. You will see his name along with the GDC logo on many local sports teams. He also contributes to various charity events.

Dr. Kevin Street was raised in the area and began working at GDC in 2011 after graduating from U of T Dental School. Kevin joined Dr. Hirst as an official partner in 2017. With his wife & two children, He continues to be very active in sports and hopes to bring his experience to the local level.

The goal of our Clinic is to provide the highest technical dental procedures to our clients. We strive to treat even the most apprehensive of patients with high levels of "asleep dentistry".

You will recognize many of our staff as local members of our community. Several members of our team have been with us for over 20 years and we continue to grow with new staff.

We continue to welcome new patients and very much appreciate the support of all of our clients. We pride ourselves on referrals from existing patients and continue to believe that "Word of Mouth" is the highest compliment.

PAULETTE CORMIER

READING DISABILITIES WORKSHOP

A Workshop for Parents

Paulette Cormier, B.A., B.Ed., is a developmental tutor/therapist who supports children with learning disabilities, ADHD, autism spectrum disorder and other neurodevelopmental delays.

She uses her knowledge and experience as a teacher along with training in numerous developmental therapies to support children with learning disabilities. She focuses on building the underlying foundational abilities necessary for a child to learn. To be successful academically, perceptual abilities such as vision, hearing, memory, and processing need to be in place. When you improve a child's ability to perceive accurately, you see true gains across the entire curriculum.

MARGARET OLAH, OWNER

Custom Designs by Kabinet Pro

When it comes to kitchen and bathroom renovations, Margaret Olah likes to think outside the box. Margaret owns and operates Kabinet Pro, a Georgetown based company that creates custom kitchen and bathroom designs to complement the needs and lifestyles of their clients. Kabinet Pro works with homeowners to design functional layouts with high-quality cabinetry and workmanship. The business does everything from simple countertop replacements to overseeing entire kitchen and bathroom renovations. "Sometimes we create a different layout than the client expected because we want to make a space that works," says Margaret, a kitchen design consultant. "We think of things differently so our clients get an innovative design they wouldn't get anywhere else."

With over 25 years of experience in the industry, Kabinet Pro has earned a reputation for quality workmanship, honesty and competitive pricing.

Whether they're doing a small replacement or a large renovation, Margaret and the entire team care about each and every project. Word of their work has spread across southern Ontario with clients calling from as far away as Concord and Barrie.

"We work very, very hard to give the best product, the best price and the best service," Margaret says. "We care passionately about every job."
