Debut of Grand River Aquaflyes

By: Vivien Fleisher

Synchronized swimming, originally known as "water ballet" when it began around the turn of the last century, did not become an Olympic sport until 1984. Highly artistic by nature, it's a hybrid form of swimming, dance and gymnastics, and can be performed solo or as a team. Three competitive teams from Guelph,

Brant and Kitchener-Waterloo have just announced they're teaming up to create the regional 'Grand River Aquaflyes'. Grand River Synchronized Swimming Club President Susan MacKinnon made the announcement recently, saying the three newly combined competitive teams- represented by provincial athletes from each of the three clubs

ensures that swimmers in each region are able to continue doing what they love.

The name was chosen to represent "the spiritual meaning of a dragonfly... because it reminds us that everything is possible, that we can achieve our dreams and our goals, and we can learn to self believe."

New teams, which includes one for ages 11-12, 13-15 and 16-20, are "a true representation of partnership in sport" according to MacKinnon, who represents the members from the Rockwood and Halton area. The Aquaflyes will also be represented in the 11-12 duet event. The start of the competitive season is close at hand.

Rotary Club of Acton - Thank you!

A huge thank you to everyone who supported our Wine and Cheese evening this year. It was a blast! The wine was flowing, the food was great and the music was terrific.

Jim Richmond our cheese guru was in his element, explaining, educating and sharing his love of cheese. Thank you Jim!

This year we added a new item to our evening, craft beer, so generously supplied by Wellington Brewery. The Acton Rotary will now only serve Wellington beer at

its functions. (No sacrifice, as Wellington Brewery has a great selection of beers, including the Rotary Local Lager!)

As we said, the music was terrific - all thanks to Monty Greig. Monty got the crowd singing, dancing, and even into a conga line! (So glad our kids weren't watching.) Thank you Monty, you were great fun and added tremendously to the evening.

We would especially like to thank all of the merchants of Acton that supported our event:
