

Second Gold for Thunder Novice

Halton Hills Thunder Novice AE won their second tournament gold medal of the year. Having previously won the Essex Early Bird Tournament back in September, the Thunder won the Hespler Olympics Tournament in Cambridge this past week.

The team started the tournament with an early morning loss to the New Hamburg Huskies—losing 5-4—but came back strong and won three games straight, including the Flamborough Sabres 8-1, the St Thomas Stars 3-0, and the Oakville Rangers 1-0.

For the gold medal, they played the New Hamburg Huskies—who had been undefeated in the tournament—and came out the winners, beating them 3-1 and taking home the gold medal.

Everyone worked hard and gave it their all, and both goalies got a shut out each.

LOTS OF CHANGES TO START 2018!

As an active member of this community for almost 30 years, I've had many different opportunities to meet a lot of people. My involvement in sports and school events, serving the local Air Cadets as a Captain in the Air Force, volunteering with the Food For Life program and through my work as a local Realtor® I've made life long relationships.

I am proud to announce my marriage to Scott Legge and, with my marriage, a new name. I am now **Kati LEGGE**.

I am also proud to announce that my wonderful new husband is now a licenced Realtor® and has joined me at the Royal LePage Escarpment Realty office at 2 Mill St E. in downtown Acton. We would love to help you with all of your real estate needs

And, as always...

When you can't find the answers... Scott & Kati Can

We hope that you enjoy all that 2018 has to offer and we are looking forward to working with you throughout this year.
