The 34th annual Paul Murr Memorial Golf Tournament took place on Monday at Blue Springs Golf Course and was another great success. 130

golfers and sponsors raised \$48,000 to fight cancer. "This brings our 34-year total donations to the Acton branch of the Canadian Cancer Society to over \$1.2 million," said Allan Hall, one of the

tournament organizers.

Paul Murr was a native Acton son, who in his younger years had been a track athlete specializing in middle distances. He was a well-known business man and avid golfer.

He died in 1988 from cancer but not before learning that the tournament was to be named in his honour. The tournament has been held at the challenging Blue Springs course since it opened in 1991.

Let's Play Ball: Field of Dreams Project kicks off

Town of Halton Hills Council has approved the first phase of Trafalgar Sports Park Phase 6—"Field of Dreams" joint collaborative project for the implementation of three premium lit diamonds at Trafalgar Sports Park. The total cost of the

project is \$2,800,000 with \$537,000 being funded through grants and fundraising.

The "Field of Dreams" joint project partnership between Halton Hills Minor Baseball Association, Georgetown Slopitch League and the Town of

Halton Hills are commencing capital construction. The community partnership provides direct benefit to the local sports groups who provide many opportunities for recreation to all ages and will meet the needs of the community.

The collaborative group

will be selling the naming rights for each diamond or the entire complex. Anyone interested in becoming involved in this project or would like to be a sponsor should contact Larry Fitzgerald at larry_n_fitzgerald@hotmail.com
