## WORD ON THE STREET

With Alex Hilson

*Do you think public parks should have porta potties or some sort of bathroom facilities?*

Parker Atkins: "Yeah, for sure. When you gotta go, you gotta go."

Dustin Atkins: "Yes. Young children would be a good reason. Kids can't go anywhere."

Mathew McLean: "Yes. It's better than going out to a bush."

Chris Howie: "To be perfectly honest, if you say a park needs a bathroom, you're going to have bathrooms in the weirdest places. Put it wherever people need it."
