DEATH

LEWIS: Gregory

It is with great sorrow that we announce the unexpected passing of our beloved Gregory Thomas Lewis at the Hamilton General Hospital on Friday June 15, 2018. He is survived by his loving wife Lorrie, two stepsons Thomas (Leslie) and Jeffery (Cathy), grandchildren Holly, Daniel, Hana and Liam. His son Derek and his loving daughter Heather, grandchildren Megan, Matthew, Benjamin, William and Andrew and great-grandchildren Liam, Erik, Braydon, Brody, Annabelle and Emily. Greg enjoyed a distinguished 40 year career with Air Canada and travelled extensively. He will be remembered for his love of family, dedication to his church and choir and life-long hobbies of model trains and antique cars. He loved life and was always singing, he was a 25 year member of a champion Barbershop chorus (The Duke's of Harmony). His grandchildren called him "Funny Poppa", because he was a lot of fun to be around. Friends will be received at the J.S. Jones Funeral Home, 11582 Trafalgar Rd., Georgetown 905-877-3631 on Wednesday June 27 from 1 p.m. until time of memorial service held in the chapel at 2 p.m. Reception to follow in the Trafalgar Room. Cremation has taken place. Donations to the Cancer Assistance Services of Halton Hills or the Knox Presbyterian Church, Acton would be appreciated by the family. FIRE REPORT

Tuesday, June 12

At 2:07 a.m., firefighters responded to an ambulance assist on Regional Road 25 in Acton. Halton Regional Paramedics were on scene upon arrival and advised that fire was not required.

6:15 p.m. firefighters responded to the report of a leaking propane tank at a residential dwelling on Fifth Line. On scene, fire staff found a large 1,000-gallon propane tank in the backyard venting vapour from the top fill connection, light ice on connector but vapour cloud still visible. All ignition sources were shut off and the gas valve to home shut off. A service technician was called to the scene where a connection was tightened and the leak stopped.

7:22 p.m. firefighters responded to a medical assistance alarm on Fifth Line. On scene, fire staff, along with Halton Regional Paramedics were unable to locate any concerns and cleared the scene.

8:27 p.m. firefighters responded to an alarm activation on Cobblehill Rd. in Acton. On scene, fire staff met with building personnel who advised that the alarm panel was reading duct smoke detector. Fire staff entered the building and found no concerns. The panel would not reset. Building personnel were advised to conduct a fire watch and have the alarm repaired.

8:59 p.m. firefighters responded to a police assist in the area of Highway 7 and 22 Sideroad. Halton Regional Police requested fire's services for absorb-all to absorb leaking fluids from one of the vehicles involved in the collision. On arrival, staff used absorb-all to clean the area of leaking oil from a GMC Sierra. Staff then performed a quick medical assessment on the driver of the Dodge Caravan who was complaining of a sore back and elbow. Halton Regional Paramedics arrived shortly after and transported that patient to hospital.

Wednesday, June 13

At 6:13 p.m., firefighters responded to an ambulance assist on Fifth Line in Erin. Paramedics were on scene upon arrival and advised fire was not required.

6:17 p.m. firefighters responded to the report of wires arcing on Regional

Road 25. Halton Regional Police were on scene upon arrival and advised fire was not required.

6:39 p.m. firefighters responded to the report of wires arcing in the area of Sixth Line and 22 Sideroad. On scene, fire staff, along with Halton Regional Police, blocked traffic driving both northbound and westbound. Halton Hills Hydro arrived on scene and fire was cleared.

7:41 p.m. firefighters responded to the report of wires arcing on Five Sideroad, east of Ninth Line. On scene, fire staff extinguished a burning hydro pole once Halton Hills Hydro cut power and cleared the scene.

11:48 p.m. firefighters responded to an alarm activation on Bower St. in Acton. On scene, fire staff met with the homeowner who advised that burnt food had caused the alarm to activate. Fire staff confirmed no concerns and cleared the scene.

Sunday, June 17

At 1:17 p.m., firefighters responded to the report of smoke in the area of 17 Sideroad between Fourth and Fifth Line. On scene, fire staff found a small fire located in field—burning within confines of the permit. No further concerns.

4:45 p.m. firefighters responded to the report of a single-vehicle motor vehicle collision into a concrete light pole, in the area of Tanners Dr. and Churchill Rd. South in Acton. On scene, fire staff provided patient care until Halton Regional Paramedics arrived. Fire remained on scene until Halton Hills Hydro arrived.

5:13 p.m. firefighters responded to the report of a propane tank on fire on Bower St. in Acton. On scene, fire staff met with the homeowner who advised that the fire was extinguished but the tank was still hissing through the pressure relief valve. Fire staff disconnected the tank from the BBQ and moved it 200 feet down the back yard to let it continue to leak slowly until the valve reset.

Weekly Safety Message

All barbeque grills must only be used outdoors—using grills indoors or in enclosed spaces is not only a fire hazard, but it exposes occupants to toxic gasses and potential asphyxiation.
