

A MESSAGE TO OUR COMMUNITY...

To former and present customers, passengers, employees and to our all neighbours near and far we offer our sincere thanks.

It has been an honour and a privilege to have been “Transporting Your Children Safely Since 1948”.

May all our future travels be safe and full of even more wonderful memories.

We are so thankful to have been able to provide all of you with “Service that Satisfies Since 1929”

Ted, Dolores and Angela Tyler
