GIFT GUIDE

Hire a caterer for a stress-free holiday dinner

Between buying gifts (and wrapping them!), decorating the house, putting together the perfect outfit and attending a host of parties, finding time to plan your own holiday dinner is always a challenge. Hiring a caterer, however, could be the perfect solution!

More time

Hiring a caterer can save you a lot of time. Think about it: you won't have to grocery shop or cook (two colossal tasks, depending on the number of people invited). What's more, you can leave the menu in the capable hands of a professional. He or she will be able to suggest several options tailored to your budget, needs and theme (if applicable). Additionally, while your caterer takes care of the food, you can concentrate on other important tasks

involved in the planning process. And let's not forget that more time means less stress!

More options

Do your culinary skills boil down to a couple basic dishes? Are you always afraid to mess up your grandmother's famous stuffing recipe? When you entrust the menu to a caterer, you benefit

from a wide selection of quality dishes to choose from. Traditional, vegetarian, gourmet — offer your guests a menu to their liking without worrying about mishaps in the kitchen!

Finally, certain catering companies will also take care of the service during the dinner, allowing you to fully enjoy the festivities surrounded by your family and friends.
