Thunderous teddy bear toss by Halton Hills peewees

Two Halton Hills Minor Hockey Association peewee rep teams collaborated for a big assist earlier this month, resulting in a happier Christmas for dozens of less-fortunate children in this area. It's the second year in a row that the Teddy Bear Toss has taken place at the Mold-Masters SportsPlex. But this year the peewee A black team invited the peewee A red Thunder to join in as well in support of the Halton Regional Police's Toys for Tots campaign.

And it didn't take long for the fake fur to fly as Noah McCutcheon, of peewee black, scored just 45 seconds into the contest to begin the avalanche from the stands. Approximately 300 stuffed animals were tossed onto the ice and \$882 in cash was collected. The toys will be distributed to the Salvation Army in Georgetown and Acton, as well as Big Brothers Big Sisters, in time for Christmas.
