Carpet Barn celebrates 40th year with savings

Continuing with their 40th anniversary "Year of Savings", July is full of more hot deals throughout the store at Carpet Barn Carpet One, as staffers Sue Lindsay, Jamie Watt, and Betty McFarland share a light moment while they check out their inventory. Whether you're in the market for hardwood, tile, vinyl, laminate, cork or even area rugs, now is a great time to save. Area rugs are a huge part of Carpet One's business. They have hundreds of choices of custom rugs in every size, shape and price point to make even the most discerning customer happy. Plus it's never been easier to get the rug you want as right now you can save up to 50 per cent on all our rugs! If all else fails, they can custom make a rug to fit your taste and decor from their huge selection of carpets and edging finishes. Watt also mentions that they have a large inventory of roll ends and remnant pieces which they can easily turn into an area rug by putting a finished edge on it. Custom doesn't have to be expensive! For all your flooring needs please stop by and see everything they have to offer your home! For more info, drop by at 26 Guelph Street, or call 905-877-9896.
