Structures deemed unsafe Portions of Barber Mill demolished

Some of the structures on the Barber Mill property on Maple Ave. are being demolished.

The Town of Halton Hills issued a permit to Everlast Group of Brampton to demolish the buildings running parallel to Maple Ave. because they are unsafe and beyond repair. The demolition began Wednesday and was expected to take two days.

Barber Mill, located on Maple Ave. at River Dr., is a crumbling 1800s cluster of industrial buildings that was designated under the Heritage Act in 2008.

At the same time, since 2004, Everlast has been trying to develop the site, including a hotel and condominium and reuse of the existing buildings for retail/commercial use.
