Summer BBQ Tips

When hosting a summer barbeque, using reusable cups is always best. If you chose to use disposable cups, purchase cups that can be recycled or composted.

Blue Box

- Clear plastic cups
- Coloured plastic cups

GreenCart

- Paper cups

Garbage

- Styrofoam cups
- Corn-based "compostable" plastic cups

Please do NOT stack plastic cups in the Blue Box or paper cups in the GreenCart—stacking makes the cups too difficult to process.

Blue Box Pick-up Events

To help you manage all your acceptable recycling, Halton Region's standard Blue Box is now larger. These larger Blue Boxes are available free of charge at Blue Box Pick-up Events. GreenCarts will also be available free of charge while quantities last. You may continue to use your existing Blue Box.

Blue Box Pick-up Event conditions

- Halton residents only, proof of residency required
- Limit one Blue Box per household, while quantities last
- If picking up a Blue Box for a neighbour or family member, proof of residency is required for that additional address

Storm clean up: Enhanced bulk brush collection

Halton Region works hard to ensure we are prepared to respond in the event of an emergency. In the wake of the severe weather experienced on July 19, we are working with our partners at each of the Local Municipalities to help residents manage the clean-up of additional bulk brush. Until August 10, residents in areas of Halton where yard waste is regularly collected can set out one pile of unbundled bulk brush on their regular yard waste collection day. The Region's yard waste collection trucks will be working extended hours to facilitate pick up. To learn more, dial 311 or visit www.halton.ca/waste.
