

STOP THE SALE OF HORNBY COMMUNITY PARK

NOTICE TO THE PUBLIC

I would like to notify the people of the Town of Halton Hills of the proposal by the Town of Halton Hills to sell off what they deem “surplus land” of Hornby Community Park. I would appreciate your support in stopping this proposal. I would like you to ask your Mayor and your Councilors one question:

Is it right to sell 5.4 acres of parkland (green space) of Hornby Community Park of which 2 acres of land was donated by the King Family of Hornby?
