

# Tone down that wedding centrepiece

Continued from pg. 2

**For the lovey-dovey couple:** poetry and photos. Showcase your favourite romantic quotes and poems with framed photos from your childhood, teenage years and adulthood.

You can put together photos at every table to get your guests to move around and mingle.

**For the contemplative couple:** books or DVDs. Select two books, documentaries or DVDs that you and your spouse-to-be enjoy or that convey a certain message.

Wrap the two items in a ribbon and give them away as a prize to guests at each table towards the end of the night.
