

Ballerinas in the Battle

Two Georgetown ballerinas performed in The National Ballet School's *The Nutcracker* at the Four Seasons Centre in Toronto during the Christmas season. The School had invited dancers from the GTA to participate. Georgetown residents, Julia Bonifacio, 14 (left) and Laura Flydorf, 13, performed in the Battle Scene of Act 1. Julia trains at Christ the King Secondary School as part of the Dance Team while Laura trains at Balletomane in Halton.

GETTING USED TO NEW HEARING INSTRUMENTS! PART 2

* If you are having difficulty with the hearing instruments, or do not like the sound quality, discuss it with your Hearing Practitioner. Chances are there are adjustments that can be made to the instruments to accommodate your complaint.

* Remember that you are not alone. There are millions of people with hearing loss, and as the Baby Boomers age, the numbers grow. It is nothing to be ashamed of, and there are many treatment options available to you in these modern times.

SMILE ADVICE!!!

Too often we underestimate the power of a touch, a SMILE, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have potential to turn a life around.

A SMILE creates happiness in the home, fosters goodwill in business, and is the countersign of friendship. It brings rest to the weary, cheer to the discouraged, sunshine to the sad and is nature's best antidote for trouble. Yet it cannot be bought, begged, borrowed, or stolen, for it is something that is of no value to anyone until it is given away. Some people are simply too tired to give you a smile. Give them one of yours, as no one needs a smile, as much as he who has none to give.

A SMILE is a frown turned upside down!
