DENTURISTS...THE ARTIST OF YOUR IMAGE

Replacing your natural teeth is more than just trusting someone with your smile. Your appearance, your chewing function, comfort, and your whole image is at stake. Make sure you entrust this delicate task to a specially trained professional.

Denturists are denture specialists. They are experts in the design, construction, insertion and adjustment of removable full, partial and implant dentures. They use the latest technology, in state-of-the-art laboratories. Denturists personally handle every step in the construction of your denture. Consultations, impressions, bite registration, try-ins, insert, and adjustments are all done on site, by the Denturist.

For the comfort, effectiveness and aesthetic appearance you expect and deserve...call a Denturist today.

Mental illness is topic of free Wednesday seminar

Did you know one in five Canadians will experience a mental health problem in their lifetime?

Learn what is mental health, what is mental illness, what is stigma and where to go for help in Halton at a free lecture, on Wednesday, Jan. 16.

Mental Health: Increasing Awareness and Understanding will be held 7-8:30 p.m. at the Christ the King Secondary School auditorium in Georgetown.

The event is presented by TAMI (Talking about Addic-

tion and Mental Illness) program with a presentation by the Halton Region Health Department and speakers sharing their personal experiences with mental illness.

Sponsors of the event in-

clude Halton Region, The Phoenix Program Early Prevention Service, Schizophrenia Society of Ontario, Canadian Mental Health Association, Centre for Addiction and Mental Health and ADAPT.
