# Police release description of gun-wielding bandit

Halton Police are searching for a gun-toting man between the ages of 25 and 40 following an armed robbery at Bell Worldlynx shortly before 11 a.m. Monday.

Police say an armed white male, 5'7" to 5'9" with a medium build, entered the 330 Guelph St. store brandishing a black handgun and ordered the clerk to hand over a number of cell phones. After grabbing the phones, the bandit, who was wearing dark-coloured clothing with a blue and white checkered scarf, fled.

At the same time a white panel van was seen in the immediate area and police are requesting the public's assistance in identifying the driver and/or vehicle. Police say the driver could have been a witness to the robbery and have information that would

assist the investigation.

The store clerk was not injured.

After the robbery police established a perimeter and three nearby schools—George Kennedy, St. Francis of Assisi, and Centennial Middle School—were put into a Hold and Secure mode while officers searched the area with the aid of the canine unit. The Hold and Secure was lifted shortly after noon.

Anyone with information concerning the robbery is asked to contact Det. Sgt. Nick Milinovich of the One District Criminal Investigation Bureau at 905-825-4747 ext. 2415, Crime Stoppers at 1-87-222-TIPS (8477), through the web at www.haltoncrimestoppers.com or by texting "Tip201 with your message to 274637 (crimes).

# Acton man sought after giving fake I.D.

Guelph Police are searching for an Acton after officers say he gave them a false name when he was charged with drinking and driving.

On Jan. 1, Guelph Police stopped a vehicle on Speedvale Avenue East and the driver was given a breathalyzer test. Officers said he was then charged with driving while intoxicated and when arrested he identified himself as Richard Ruffolo.

Two days later, a man named Richard Ruffolo went to the Guelph Police Sta-

tion to plead his innocence. When officers discovered Ruffolo was not the driver, the charges laid in his name were withdrawn. Further investigation into the Jan. 1 incident has identified a 28-year-old man from Acton to be the accused, police said.

Officers said a warrant for the arrest of an Acton man has been obtained for the charges of driving over 80mgs, identity fraud, obstructing police, police mischief and driving while under suspension.
