

Time to nominate a worthy resident for Georgetown Citizen of the Year

Do you know someone that gives unselfishly of their time and talents to make Georgetown a better place to live? The Georgetown Lions Club is looking for that person, couple or organization to honour as Georgetown's Citizen of the Year.

The award can be given to an individual, couple, group or organization that has served our community as an outstanding volunteer, in sports, culture, health or social services. Many times the recipients have volunteered in multiple organizations over many years.

The Lions Club has presented this award annually since 1973 and each year the selection committee is amazed at the level of commitment that these worthy volunteers have shown to the

community. To nominate an outstanding volunteer send a letter or if you prefer use the Lions' application form and return it to Lions Club Citizen of the Year, P.O. Box 73, Georgetown L7G 4T1, or email dpenrice@sympatico.ca by Monday, February 18.

Past nominations are carried forward for two years and will be reconsidered. This is your chance to truly recognize someone in the community that makes a difference in the lives of many in this town.

The awards dinner will be held March 22, at the Lions Hall with presentations from the Lions Club and all levels of government.

For more information contact Lion Doug Penrice at 905-873-8469.

... Lend Me Your Ears

NOISES AND YOUR SLEEP

Noise does not have to be loud to be harmful, it could take as little 60 decibels (the level of a quiet air conditioner) – to prod us from deep to superficial sleep without our knowing it, interrupting R.E.M. Cycles and leaving us to face the day fatigued and unfocused.

Sleep deprivation from various noisy sources has been blamed for the thousands of highway and industrial accidents each year. The Hearing Clinic specializes in noise alleviating ear plugs, for more information please call today.
