Georgetown Seniors Centre to resurrect Wednesday hot lunches

By **FLORENCE RIEHL**
Georgetown Seniors Centre

The end of January seems to have brought an end to the severe cold weather. Just two months and it will be spring. Hurrah!

The new *HillsView* magazine is now available at Reception. Drop by and get your copy. It is full of information to keep you caught up with life at your Centre.

Are you a member of the "GDSC Volunteer 500 Club"? All volunteers who achieve 500 hours of volunteer service in 2013 will be honoured on our "Volunteer Wall of Fame". That means you must re-

member to swipe in each time you come to the Centre to volunteer your time.

We now have Daisy Reader and audio books available for borrowing at the Centre. They are easy to operate and the sound quality is excellent. The girls in the Office will show you how to operate one and you can just sit back in your easy chair or bed and listen to your favourite story. There is even a snooze button on them so you don't lose your place if you go to sleep. Come in and look them over.

If you have been missing the Wednesday hot lunches you will be pleased to note that as of February 6 they are go-

ing to start again on a trial period for the month of February. Lunches will be purchased through Hungry Hollow Smokehouse. The cost for lunch will be \$7 and include tea/coffee. Menu will be noted on the bulletin board beside reception.

Many of you have shown an interest in going to the new Living Arts Theatre in Cambridge to see a Disney production of *Mary Poppins*. Final sign up date for this trip is February 11. You won't want to let this slip by.

The end of January and are you still keeping your New Year's resolutions? You know the ones— watching your diet, exercising more.

Watch for the latest copy of *Hillsview* at the front desk. Pick it up and keep it for future reference of the various activities and programs that will be occurring over the next three months.

The Birthday Tea was well attended 23 members and their guests enjoyed the Birthday cake and coffee.

On Tuesday, Feb. 5 at 1:30 p.m. John Walker and Terry Mayes (Oakville Hospital) will be here talking about Connect Care Medical Alert. This service is designed for people who want to be safe in a medical emergency. This enables them to be independent and stay at home longer, with less

worry for their families.

Friday, February 8 lunch will be a catered once again. Sliders (delicious mini cheeseburgers) and sweet potato fries are on the menu plus, of course, dessert. Don't forget Bingo starts at 1 p.m. now.

On Tuesday, Feb. 5 at 9 a.m. Matthew and Jessie Caldwell will be holding a beginners class on how to use the Internet. They will show you how to open a browser, use a search engine and find a particular website. A basic rundown on emails will also be included. The last class will be held on the following Tuesday and will teach participants how to create their own secure personalized e-mail address, explore the e-mail experience in depth, create files within ones email account and finally how to mark emails or

senders as spam or unwanted e-mails. This has been an excellent course, and everyone has benefited from attending.

Please try to attend the important meeting on Wednesday, February 6 at 3 p.m. This meeting is to give information on the buy/lease/partnership initiative for our future Centre.

There are still some members that have not renewed their membership for 2013. Don't forget if you haven't renewed, your name has been pulled from the 50/50 drum.

Don't forget our Bingo evening on Friday, February 8 at 7 p.m. in the Community Hall. Everyone is welcome, so come out and enjoy the fun, and who knows it might be your lucky evening.
