

Basement blaze stubborn

Firefighters spent most of Friday afternoon battling a stubborn house fire on Bishop Court in Glen Williams, during which a member of the Halton Hills Fire Department fell through the first floor to the basement. The firefighter was not injured and resumed his duties shortly after. HHFD Deputy Fire Chief Harry Olivieri said that a teenager at home alone at around 1 p.m. heard a loud popping noise coming out of the basement of the home and then saw smoke and flames. He was uninjured. No cause or damage estimate was known as of press time late Friday afternoon.
