Since 2011, Goebelle has served as Chair of the Mississauga/Halton Local Health Integrated Network. In this capacity, he also serves on various advisory Committees for the Ministry of Health.

It started out as a normal family trip to see her grandparents in Bolton.

"All of a sudden, there was this cop car speeding at us, going the same speed as the horses," she said. "They were going so fast just coming straight at us."

The Georgetown family's Jeep Compass SUV was the only car in the path of both the cop car and the horses, she said. The police car also swerved in front of their vehicle to act as another

While Conti revealed in the moment, her mother, Laura Chapman, who was in the front passenger seat, didn't take it quite as lightly. "As beautiful as it was, it was a little scary at the same time," said Chapman.

Caledon OPP and Peel Police responded to a call reporting approximately 15 horses on the loose around 11 a.m. on Sunday. Creditview Rd. was closed until noon as constables rounded up the horses.
