

# YOU AND YOUR PET

## Quincy is a treasure to discover

By **JUDITH-ANNE KOLU**  
Upper Credit Humane Society volunteer

I am a handsome 4-year-old male Lab/German Shepherd cross, black with a little white accent on my chest and toes and I weigh in at 73 lbs!

**NEGATIVES:** The walkers are not impressed by my barking and lunging at passing cars. "Training" is a word that keeps cropping up in this regard. I have no aggressive intent at all but vehicles excite me so much that I talk back loudly (barks) at these moving hulks of steel. I sometimes get really worked up when meeting other dogs and the walkers get exasperated by my pulling and leaping and again I hear "training" and no children under 10 in my new home. An active adult family or one with older teenagers would be the best match for me.

Frankly, so many different people are instructing me with different ideas

that it is confusing me so I lapse into fun times for me of "bark" and "pull".

Once I have my own family and this "training", I know I will work very hard to being a better mannered boy. However, I cannot live with CATS!

**POSITIVES:** I am a dog who knows how to have fun, I adore playing ball and do enjoy my exercise time to help my high energy level. I am housetrained and pride myself on keeping my kennel very clean.

I know my basic commands but am sometimes too excited with the companionship.

I have captured the hearts of the caregivers who say I am a "sweetheart" with an enthusiastic spirit. I know with the right family "training", plus a regular routine, I will be awesome.

Quincy can be reached at 519-833-2287 or e-mail [adoptions@uppercredit.com](mailto:adoptions@uppercredit.com).

## Andrea is anxious to leave the Shelter

Do we have a delightful little package for you! Andrea was born on June 1st, 2012, arriving at the UCHS Shelter in October and has proved to be one happy little frolicking bundle clothed in a pretty grey with white tabby coat.

Andrea is everything a seven month kitten should be: extremely active and full of pleasurable antics. Andrea is a busy girl preferring a home where she can run and play alone with her toys or with another very active cat.

Andrea is basically affectionate and does like to be petted rewarding you with lots of purrs. Andrea, is just youthfully busy but as she matures, she will become a really loving girl.

Andrea would be fine with older children but is not suitable for the preschool set and as yet she seems unperturbed

by dogs.

If your family is looking for a young cat whose personality is bright, happy, active and loving, call the Shelter, 519-833-2287 or [adoptions@uppercredit.com](mailto:adoptions@uppercredit.com).

## Oswin is a talkative lap cat

By **BARB JOHNSON**  
North Halton Kitten Rescue

Oswin was found in a rural area with a wounded paw, obviously a house cat and very distressed at being alone and outside. She is about eight months old and content in a house with people and other cats. She shows no aggression towards other animals but is initially defensive.

Oswin (named after Dr. Who's latest companion) has a short soft fluffy coat and enjoys being groomed but is sensitive about her feet. She does allow her nails to be clipped on her terms.

Oswin has lots to say: an excellent communicator if she is not happy. She is happiest being carried around, sleeping in someone's lap or receiving pets.

Oswin is best suited to live with older children and adults that know cats and will understand her comments.

Information on how to adopt Oswin at [www.nhkr.ca](http://www.nhkr.ca) or call 905-873-8547.

North Halton Kitten Rescue has kittens and young cats for adoption to approved homes.

Adoption fee of \$160 includes: spay/neuter, first vaccinations, parasite treatment, microchip and a bag of food.

## UCHS is accepting penny donations

If you cannot adopt a pet, but would like to help Quincy, Andrea and their many friends, the Upper Credit Human Society Shelter would love to accept your PENNIES.

Don't want to roll them, we will, just drop them rolled or unrolled at the Shelter, 5383 Trafalgar Rd. N. or at the Thrift Shop in Moore Park Plaza, Georgetown.
