Child Abuse Breaks Hearts

Child abuse is a far-reaching problem that affects children of all ages, socioeconomic levels and ethnicities. It is every adult's responsibility to help stop child abuse by reporting suspected abuse or neglect. If you believe a child has been harmed, or is in danger of being harmed, call your local department of children and family services or your local police department. If you are a parent, do your best to provide a nurturing, loving home environment for your child. If you need help doing this, there are resources to help you - look online or in the phone book, or ask for assistance through your church or your child's school. If we all do our part to prevent child abuse, we'll get to the heart of the matter.
