SMILE ADVICE!!!

Smiling is contagious - you catch it like the flu; when someone smiled at me today, I started smiling too. I passed around the corner, and someone saw my grin; when he smiled, I realized I had passed it on to him. I thought about that smile, then I realized its worth; a single smile, just like mine could travel round the earth. So, if you feel a smile begin, don't leave it undetected, let it start an epidemic quick, and get the world infected!

SMILE a while! Give your frown a rest!

A SMILE costs nothing, but gives much. It enriches those who receive, without making poorer those who give. It takes but a moment, but the memory lasts forever. None is so rich or mighty that he can get along without it, and no one is so poor but that he can't be made rich by it.

If your smile needs a turn up, give us a call today!!
