

Terra Cotta Conservation Area to host Sweet Taste of Spring this weekend

"Sweet Taste of Spring" comes to Terra Cotta Conservation Area on Saturday and Sunday, March 23 and 24, from 9 a.m. to 3 p.m. There will be pancakes, local maple syrup and fun for the whole family.

Visit maple syrup stations and learn how tapping maple trees has changed from the time of First Nations to pioneer and modern times. Enjoy a warm pancake breakfast for an extra charge.

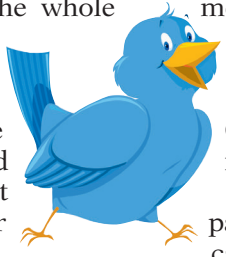

Learn about bird migration and spring baby animals. Make your own pine cone bird feeder to attract birds in your garden at home. Hear expert gardening advice and receive

information about how to get ready for spring. Enjoy wagon rides, live entertainment, and more.

Admission is free for 'Our Credit Conservation Area' members. Non-members pay \$8 for adults, \$5 for children (ages 4-12) and seniors over 60 years. Children under four are free.

Visitors should be prepared for the weather because the event runs rain, snow or sunshine.

For more information call 1-800-367-0890 or visit www.creditvalleyca.ca/sweet-taste-of-spring. Terra Cotta is located at 14452 Winston Churchill Blvd., north of the Village of Terra Cotta.

Learn to grow a Giant Pumpkin

The Erin Giant Pumpkin Growers will be hosting a free beginners seminar, "How To Grow a Giant Pumpkin", 7 p.m. in the Masonic Hall, 190 Main St., Erin on Wednesday, April 3.

If you have about 400 sq. ft. and some good seeds the growers will teach you the basics to grow a pumpkin up to 1,000 pounds and maybe even more. Find out some of the newest growing techniques from a couple of experienced growers from the area. Seeds from some of the world's top genetics will be available at the seminar.

There will be an "all new for 2013" brief how-to presentation followed by a Q+A session. To RSVP or if you have any questions please email John at JSL@cogeco.ca or go to www.ErinGiantPumpkinGrowers.weebly.com for more information.
