Georgetown Fall Fair releases Homecraft Prize List

DAIRY DAYS - Moooving Forward! That's the theme for the 2013 Georgetown Fall Fair, September 6-8.

Be sure to bring the children to the Children's Centre in the Homecraft Building to enjoy the theme-related activities. If you have not received a copy of the Homecraft Advanced Prize List you may go to the website, www.georgetownfall-fair.ca and print it off in its entirety or maybe just the classes that you wish to enter.

Now is the time to become creative in the needlework

and craft classes. Check your antiques to see what you can enter and plan for preserving and baking. Watch your flowers and vegetables grow to maturity for those classes. As well the Junior and children

competitors will enjoy working on their entries over the summer.

Entries may be brought to the fair building Wednesday, Sept. 4, 4-9 p.m. and 9-11:30 a.m. Thursday, Sept. 5.

Please make special note that all entries in the children's section must be in by 7 p.m. on Sept. 4 because the children's classes are judged that evening beginning at 7 p.m.

If you need more information call any one of the convenors or Glenda Benton at 905-877-2101.
