

Environmental Assessment Study

NOTICE OF STUDY COMPLETION FOR BOVAIRD DRIVE (R.R. 107) FROM LAKE LOUISE DRIVE/WORTHINGTON AVENUE TO 1.45 KILOMETRE WEST OF HERITAGE ROAD, CITY OF BRAMPTON

The Region of Peel has completed the Schedule "C" Municipal Class Environmental Assessment study for the improvements to Bovaird Drive from Lake Louise Drive/Worthington Avenue to 1.45 kilometre west of Heritage Road in the City of Brampton (study area is shown on the map).

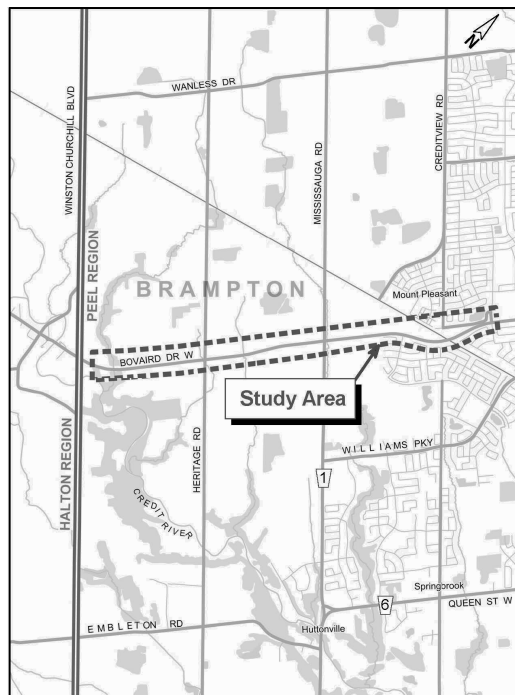

The Process

The project team received input from interested stakeholders, the public and agencies, at two Public Information Centres. The team evaluated various road improvement alternatives and assessed the potential environmental effects of the proposed improvements and developed reasonable means to mitigate any adverse impacts.

Key Elements of the Recommended Design

The study recommends:

- the widening of Bovaird Drive to 3 lanes in each direction, with turning lanes at intersections, east of the proposed Halton-Peel Freeway
- the widening of Bovaird Drive to 2 lanes in each direction, with turning lanes at intersections, west of the proposed Halton-Peel Freeway
- an urban cross section which includes curb and gutter, sidewalk, multi-use path, street lighting and transit facilities
- streetscaping along Bovaird Drive including planting of trees and shrubs, where appropriate

Environmental Study Report (ESR)

An ESR has been prepared to document the planning and decision making process. The results of the study will be available for review for 30 calendar days starting April 4, 2013 and ending May 4, 2013. It is available for review at the following locations:

Region of Peel, Clerk's Department

10 Peel Centre Dr.
5th Floor, Suite A
Brampton, ON L6T 4B9
Phone: 905-791-7800 ext. 4526

City of Brampton, Clerk's Department

2 Wellington St. West, 1st Floor
Brampton, ON L6Y 4R2
Phone: 905-874-2101

City of Brampton Public Library

Cyril Clark Branch
20 Loafers Lake Lane
Brampton, ON L6Z 1X9
Phone: 905-793-INFO (4636)
Mon. - Thurs. 10:00 a.m. - 9:00 p.m.
Fri. 10:00 a.m. - 6:00 p.m. Sat. 10:00 a.m. - 5:00 p.m.
Sun. 1:00 p.m. - 5:00 p.m.

Comments

Please provide written comments to Neal Smith within the 30 day review period. If the concerns cannot be resolved, you may request that the Minister of the Environment make an Order for the project to comply with Part II of the Environmental Assessment Act, which addresses individual environmental assessments. The Minister must receive requests for Part II Orders, at the address below, by 4:30 p.m. on: May 6, 2013.

The Honourable Jim Bradley, Minister of the Environment

Ministry of the Environment, 77 Wellesley St. West, 11th Floor, Ferguson Block, Toronto, Ontario M7A 2T5

A copy of the Part II Order request must also be sent to:

With the exception of personal information, all comments will become part of the public record of the study. The study is being conducted according to the requirements of the Municipal Class Environmental Assessment, which is a planning process approved under Ontario's Environmental Assessment Act.

Heavy rains bring warnings from conservation agencies

With heavy rains over the past couple of days and more predicted through Friday, both Conservation Halton and Credit Valley Conservation are warning people to stay away from watercourses.

With between 30 and 40 mm of rainfall since Monday, levels and flows of creeks and rivers in the area are at near bank-full conditions.

With up to 50 mm predicted

through Friday the water will continue to rise and may spill over the banks causing flooding in low-lying areas.

The agencies urge all residents and children to stay away from all creeks and rivers, bridges, culverts and dams. High, fast flowing water and slippery conditions along stream banks make them extremely dangerous. Parents should make sure their children know to stay away.

Town awards \$1.1M roadwork contract

Town Council awarded a \$1.1 million contract for the 2013 Pavement Management Program to Mastercrete Construction recently.

The Mississauga company was the lowest bidder.

Under the program, Elizabeth St., Hillside Dr., Joseph St. and Uplands Court will be resurfaced. Morris St. and Ryan St. will be reconstructed

including sidewalks and curbs and Hyde Park Dr. will be reconstructed including a multi-purpose sidewalk, storm sewer and curbs.

The Town will also partially contribute to roadway restoration work being done by Halton Region on Charles St., Cherry St. Cleaveholm Dr., Ewing St. Heather St., Henry St., Hewson St. and Lindsay Court.
