MEMORIAL SERVICE**HURST, Kathleen** (Nan)

November 17th, 1916 - March 30th, 2013

Again it is with great sadness that we announce the passing of Kathleen (Nan) Hurst, peacefully, at Extencicare, Georgetown, in her 97th year. Nan is predeceased by her husband Joe, brother Buster Hale, sister Joan Haines, sons Kent and Tommy, daughter Jill and daughter-in-law Maxine. She is survived by sons Peter (Jeanine), Michael (Ann), Jon, Mark (Mary), 8 grandchildren and 12 great grandchildren. Nan was born in London, England on November 17th, 1916, and emigrated to Canada at the age of 4 with her parents Harry and May Hale, settling in Georgetown. Following her schooling, her work career began in the office of Smith & Stone, until her marriage to Joe in 1938. She was then a homemaker, raising her children and summering at the cottage at Lake Simcoe. Once her children were relatively self-sufficient, she began her second career in the office of Dominion Seed House. As she approached her late 40's, Nan took the bold move to return to school, completing grade 13 at Acton High School, then getting her teachers degree at the University of Guelph. She returned to Acton High as an English teacher, eventually moving to Milton High until her retirement. Nan and Joe travelled extensively during her time as a teacher and over the ensuing years, visiting England, several destinations in the Caribbean and many locations where son Peter was stationed with Canadian External Affairs. Following Joe's death, Nan remained at the family home on Arthur Street in Acton, and eventually moved to Extencicare Georgetown in 2008. We extend our sincere thanks to the staff, nurses, caregivers and her new found friends at Extencicare, who made her home there so enjoyable. Friends and family will gather at the Acton Town Hall, 19 Willow Street North, on Saturday, May 4th, 2013 from 2 to 4 pm for a time of visiting and renewing old friendships. The celebration of the lives of both Nan and her daughter Jill will commence at 4:00 pm. Donations in Nan's honour can be made to the Terry Fox Foundation
