

Spend an Afternoon with Elvis, May 30— a Georgetown Seniors Centre fundraiser

Thanks to the ladies who modelled for a sellout at the Spring/Summer Fashion Show. Great job!

There are still some tickets available for an Afternoon with Elvis, Anthony Von, on Thursday, May 30. Ticket prices are \$20. This is a Georgetown Senior Centre fundraiser held in partnership with Chartwell Oakville. Bus departs from Mold-Masters Sports-Plex at 1 p.m. Tickets are available from the Centre Office.

Again we seem to have the temperature control problem. The smartest thing to do is to arrive dressed accordingly. That is, to bring an extra sweater or dress in layers. The temperatures are preset for energy efficiency and the thermostats will not be adjusted.

I often hear from seniors that they don't drive and they have no way of getting to the Centre. If you are 65 or have a disability you may register for the Activan or Taxi Script programs. If you call Sherry at the Centre, 905-877-6444, she can help you get signed up.

The Activan program requires you to book at least 24 hours in advance

when making your reservation. The Taxi Script Program was developed to allow users to make a spontaneous travel decision rather than booking ahead.

Tickets for the ActiVan are \$2 each or 10 for \$20. Taxi Script tickets are purchased in books of coupons with a face value of \$20 but you would purchase them at a 50% discount or \$10.

Now! Why become a slave to your couch? Come on out and enjoy your Centre!

June is Seniors' Month and we will be celebrating at the Centre with a lunch on Monday, June 10 at 12 noon. Tickets, \$15, are available at Reception.

There are only a very few seats left for the 30,000 Island Boat Cruise on July 17. Don't get left on shore!
