

Earn some 'green' from Sheridan Nurseries

Sheridan Nurseries is appealing to members of the public across the GTA to ask, "Which areas of your local community would benefit from more plants?"

Teaming up with Frank Ferragine aka 'Frankie Flowers', as part of its new environmental campaign Live Green, Sheridan Nurseries will be donating 1,000 plants to GTA communities that have a severe lack of green space or plant material.

Members of the public can submit a donation request for their local area until May 31 online at www.sheridannurseries.com/live_green and it will then be reviewed by Frankie Flowers and a Sheridan Nurseries' panel.

The Sheridan Nurseries Live Green Campaign is open to all residents of Ontario, who have reached the age of majority, except employees of Sheridan Nurseries and members of their immediate family. Participants are restricted to one entry submission (via Sheridan Nurseries online form) per household per calendar month.

The Campaign is divided into six (6) 'donation' periods: May 10-31; June 1-30; July 1-31; August 1-31; September 1-30; October 1-31. At the end of each campaign period a judging panel consisting of Flowers and representatives from Sheridan Nurseries will choose appropriate plants for that period.

Interlock Revitalization...

- * Cleaning and Sealing for a "Like New Look"
