Caught up in the fun at Relay for Life

Ten-year-old Lia daSilva tries to get herself untangled from some playground equipment during a weather delay before the start of the Canadian Cancer Society's Georgetown Relay For Life held at the Croatian Centre Friday and Saturday. For more photos see page 21 and visit www.theifp.ca and click on 'Photos'.

Dig it! Lots of roadwork planned

By this fall there should be a dramatic improvement to several streets in old Georgetown.

The Town of Halton Hills has launched a construction project known as Roads 2013—targeting select streets in Ward 3. The streets will be resurfaced and where needed, reconstructed. Work is to start this spring and be completed by fall.

Concurrent with the Town's work, Halton Region will be doing water and wastewater projects in the same area.

Each year the Town's Pavement Management Construction program renews and improves the roads across Halton Hills. In 2012, the focus was on upgrading roads in the rural hamlets.

"We know that each street will experience some disruption during construction, but the results of Roads 2013 will improve residents' quality of life for years to come," said Mayor Rick Bonnette.

Streets affected are:

- Elizabeth St. from Hewson Cr. to Ewing St. — road resurfacing
- Hillside Dr. from Mary St. to Mary St. — road resurfacing
- Hyde Park Dr. from Princess Anne Dr. to the end — road reconstruction
