Residents will experience some disruption during the work. Anyone who has concerns about dust, noise or other construction issues is asked to go to [www.haltonhills.ca/roads2013](http://www.haltonhills.ca/roads2013) and follow the two-step process to log a concern or receive more information.

**RICK BONNETTE**

If there is a delay in Roads 2013 due to factors such as weather, residents will receive a hand-delivered notice from the Town explaining the delay.

“We are scheduling Roads 2013 to move efficiently through the Ward 3 streets that need renewal or improvements. This investment in Halton Hills is a priority capital project which will keep our roads safe and in top condition,” said Bonnette.
