Service Dog**

ADS is dedicated to placing our dogs with clients without regard to an individual client's financial means, but we do encourage all of our clients to assist in raising funds to help cover the costs of providing high-quality, exceptionally-trained service dogs.

The value of an ADS service dog is \$18,000. This value includes the purchasing, raising, training, placing, and providing follow-up training and assistance for each service dog. While ADS is continuously pursuing funding, we cannot meet this challenge alone.
