Acton Curling Club

Acton Curling Club President Madelene Reed announced the plans for the renovation and expansion of the Acton Curling Club on Churchill Road North, will be unveiled and presented to members at the Annual General Meeting (AGM) on Thursday, June 13 at 7 p.m.

This presentation signals the end of Phase One of the project which started five years ago. At that time the executive established a Building Renovation Fund and a 10-year program to expand their facility to accommodate the population

growth in Halton Hills (Acton/Georgetown) and become handicap accessible.

Phase One encompassed a massive maintenance program to resolve many issues suffered by this aging facility. Phase Two includes the design, fundraising and financing for a construction project slated to start in 2018.

Reed and the executive are very excited about the design being proposed as it represents inclusion of ideas and requests submitted by the membership at large through a members' input survey.

The executive encourages all members to come out to the AGM at the Acton Curling Club.
