Annual Father's Day car show expects to draw 4,000 fans

Continued from pg. 1

Day in Cedarvale park in downtown Georgetown at the corner of Main Street and Maple Avenue.

Not only will you see between 300 and 400 classic (and late model cars in the Lowered Intentions section) but there will be many vendors, a kids' area with fun things to do and, of course, lots of good food to enjoy. Every year McDonald's supplies a truck with free coffee.

On stage will be TNT, a well-known DJ to play 50's and 60's music and much more of your favourite rock and roll "classic" music.

The last few years the funds have benefited the Childhood Cancer Campaign. This event has raised close to half a million dollars for various cancer causes.

You can expect to see everything from antique vehicles to turn of the 20th century cars to muscle cars of the 50's, 60's and 70's as well as European and British cars.

There are also sports car clubs represented and old fire trucks, police cars, army trucks and jeeps, as well as famous rally cars.

With the Lowered Intentions section

you can expect to see late model Mustangs, Corvettes, Vipers, Dodge Chargers and Hyundai Genesis as well as a few souped up Civics and more.

Not only do the many cars come from all over but if you bring your car you can expect some 4,000 people to visit the event.

No event of this magnitude would be the great success it always is without the many volunteers. This year we welcome well-known local businessman Chris Crane as the new chairman with an organizing committee and dozens of volunteers from many local service clubs including; The Rotary Club, Lions, Royal Canadian Legion, Optimist Club, Georgetown Radio Club, Computer Club and Air Cadets.

There are dozens of sponsors without which this event would not be possible.

Come on out bring dad and the family to an event not to be missed. Mark your calendar for Father's Day Sunday, June 16.
