

Georgetown Seniors Centre makes changes to its schedule as summer approaches

By **FLORENCE RIEHL**
Georgetown Seniors Centre

Just a reminder, as we approach the summer months of July and August, all Drop-In programs will continue through those months. As the saying goes "we never close, we only doze".

Friday Movie afternoons with pizza at lunch will also continue BUT may not follow the regular schedule. Watch the bulletin board for dates.

Due to lack of interest our Seniors' Month luncheon, June 10, had to be cancelled. If you have a ticket please bring it to the Of-

fice for a refund.

Last chance to make your fortune at Bingo will be Monday, June 17. Bingo will be suspended for the summer and resume again in September.

Tuesday Sandwich Day will be discontinued mid-June. You can look for them to begin again in September. Keep in mind that the café is always open for tea/coffee, pop, water, bagels with spread, and a cup-of-soup.

Our library has become a popular spot. You have a choice from a great selection of books on a wide variety of topics in paperbacks, hard cover, DVDs

and CDs. We use the honour system- you will return what you borrow.

Have you tried a Daisy Reader? You can borrow one from the Office. They are simple to use and come with instructions from Terri or Sherry. Here too is a great selection of talking books. You can sign one out for two weeks. Set it beside you, turn it on, and laze away a hot summer day.

All the movies that we show at the Centre on Fridays are very current and are available to borrow for \$2 for two nights.

Have you considered travel-

ling to St. Jacob's with the Day-trippers- shopping at the Farmers' Market, lunch at Anna May's,

on board tour of Mennonite country. Date is Aug. 15. Cost \$58. Final sign up date Aug. 1.

The Seniors Centres gets 3-year CARF accreditation

By **JULIE CONROY**
Acton Seniors Centre

There were shouts of joy coming from co-ordinator Wendy Krever's office Friday morning when I arrived. She had just received wonderful news. All the hard work of Wendy, Michelle, Terri, Sherry and Samantha over the past three years paid off and we have received official confirmation that we have a three-

year accreditation with CARF. Please watch for all the updates and celebrations posted at both Centres.

On Tuesday, June 18 at 1:30 p.m., we will be holding the Birthday Tea when we celebrate birthdays of members that were born in either June or July. If you were born in either of these months you will receive a phone call around June 13 or 14.

Just a reminder to the 39 peo-

ple going on the trip to Grand River Raceway on Monday, June 17, the bus will pick up at the Centre at 5 p.m. sharp. Just a reminder, if you intend to play the slots you will need photo ID or your OLG player's card.

On Friday, June 21 the soup will be clam chowder plus a variety of sandwiches.

Last week, Dobbie Frizzell won the 50/50. This week, Kathleen Alder won \$70.

... Lend Me Your Ears

FOOD ALLERGIES MAY CAUSE EAR INFECTIONS

If your child suffers from frequent ear infections, and you can't pin point the cause, it may be something he/her ate. It's recently been found that food allergies may trigger ear infections, which left untreated can cause hearing loss.

The allergies create mucous congestion in the nose, which then flows into the tube connecting the nose to the ears. Eventually the tube gets blocked and infection causing bacteria grow.

To determine if food allergies are causing your child's ear infection have him/her tested. Once the troublesome food is discovered your physician can suggest alternatives. And take heart, kids often outgrow food allergies - and their tendency towards ear infections.
